VETS Indexes is built on the premise that companies who consistently employ, develop and support our military veterans reap the benefit of their specialized skill sets, mission-critical approach and strategic training to achieve greater enterprise performance.

About VETS Indexes: VETS Indexes is an independent provider of custom indexes within the Environmental, Social and Governance arena. Drawing on deep and broad industry experience, we construct and disseminate thematic impact indexes for investors, exchanges and asset managers which serve as the underlying portfolios for financial products.

As the world's first resource for U.S. Military Veterans' themed indexes, our mission is to provide innovative solutions that recognize the value created by the mission critical mindset, unique skill sets and

specialized training that US Military Veterans bring to the workplace. Our Mission also includes a commitment to always donate a significant portion (target of 20% and no less than 5%) of our net profits to charitable organizations that support the wellness of our Military Veterans and their families.

“SERVING THOSE WHO SERVED” - VETS Indexes provides a social impact via those public companies that support the hiring and professional development of our military veterans.
